

2008 Elections Manual – Addendum Two – 2/1/08

Please note there is an error in one of the dates for filing Fair Campaign Practices Act forms contained in both the 2008 Elections Manual and the 2008 Elections Calendar.

The 45 -50 day report of campaign expenditures and contributions indicates that the first day to file this form is July 9, 2008.

Instead the correct first date to file the 45 -50 day report of campaign expenditures and contributions is July 7, 2008.
